

KOH KONG CAMBODIA

Rachel Lee Missions

About Cambodia

- There are 14 Million Khmer in Cambodia and less than 2% are followers of Christ.
- Present-day Christianity in Cambodia is less than thirty years old; virtually all traces of its earlier history were eradicated by the Khmer Rouge.
- During the four years of the Khmer Rouge's rule around 2 million people were killed. That's one-fifth of the population. Because of the genocide that took place from 1975-1979 up to 63% of Cambodia's population is under thirty.
